BECAUSE HOMES MATTER

It was so busy, much busier than we thought it was going to be. We must have we must have spoken to 500-600 people at least yesterday, but possibly more, we really lost count! So this has been great for us.

**intertek SAI GLOBAL**

Great attendance. We received 87 applications, organised 31 interviews, and have hired 11 people so far. We have hired Retail and QSR auditors, Food testers, a Project manager and Food auditors.

**NetworkRail**

The show was a great opportunity to promote the roles we have available in our department. We enjoyed the 'buzz' and energy of the event and the relaxed atmosphere. It was great to be able to speak to people who were enthusiastic about joining our company. We look forward to attending again.

**love every drop anglianwater**

Great networking experience with potential employees.

Anyone else considering to exhibit, we would highly recommend it. You will have some really good conversations and you will find some really fantastic candidates.

**TP Travis Perkins**

There is a good mixture of people coming for our apprenticeship schemes, all the way up to our senior executive appointments. So you have a broad range of candidates coming through - companies can see what future talent's out there.

**BAE SYSTEMS**

We have met some really good people with different kinds of skills. We have met software engineers with really good engineering backgrounds. We have met really great consultants - data consultants and business consultants, project managers, and also some people with really good test experience as well. So a nice mix.
