## READ WHAT OUR EXHIBITORS HAVE TO SAY ABOUT THE SHOWS...

**OFFICE**

We hired 50 people from one event for Head Office and Store. 30 people were hired during the event, and an additional 20 in the week after!

**FORTNUM & MASON**

EST 1707

A lot of what we do is interacting with customers and guests so it's great if we can see someone in the flesh and how they talk to us. It's been really useful for us!

Across the London, Milton Keynes and Bristol events that we attended, we received over 500 applications, interviewed 115 people, and hired 60 people for Senior Management, Junior Management and Sales Assistant Positions.

**Boden**

We met a lot of retail and some niche roles. Merchandisers, buyers, we found a couple of graduates for those roles. One of the biggest successes - we found someone for a finance director role. A great couple days.

**INDITEX**

A lot of good people for all our vacancies. 400 applications received, 50 interviews arranged. Well organised.

We had over 500 applications, 270 of those with people that we've put through to assessment centres and interviews, and out of those we hired about 10%. We love coming every year.

**LOVE WHAT YOU DO**

**Dixons Carphone**

We received 592 high quality applications. And we have hired over 150 people that we met at the event for Retail and Head Office positions.

Fantastic! Very busy, great location, lots of potential candidates.

Yesterday we had 1,500 applications, and today is going just as well. It's been amazing.

We filled 7 vacancies on the first day. This is a lot less time consuming for us than sifting through hundreds of CV's online. This is a really interactive way for us to speed up the recruitment process.

Amazing candidates. I would thoroughly recommend it, it's just such a great opportunity. Great event, can't believe we've never been before!

We love coming here. The setup is so smooth. We do see really great results. We will absolutely be at more events in the future.

The footfall has been great, probably one of the busiest ones we've been to so far and the candidates quality is really good as well. It's our third time here and we've already booked for next year.

We have done 4 of the Job Shows this year now. It's just the volume and calibre of the people.

# BENEFITS OF ATTENDING JOB SHOW EVENTS

1

## Cost Effective

Employers typically hire 5 - 60 people per event. With regards to cost per hire, compared to agency fees, exhibitors continue to save money from attending our events. There is no limit to the amount of candidates you can hire, and no ongoing fees.

2

## Growing Your Talent Pool

Employers typically add 200 - 1,000 people to their talent pool at each event. A new talent pool of people they can hire from throughout the year. Many exhibitors will hire people they meet during the event 3-6 months afterwards.

3

## Pre Event Applications

Our websites and marketing campaigns generate huge exposure for each exhibitor. Many job seekers will see an employer is attending our event and will apply to them directly in the weeks and months before the event. This is in addition to the hires employers make during and after the event.

4

## Active Job seekers

Over 10,000+ people pre-register to attend each event. Our extensive marketing campaign targets candidates that match the vacancies of our exhibitors.

5

## Passive Job seekers

How do you target people that are not actively looking for a new job? How do you reach people that are not signed up with job boards or recruiters? This is the very reason we hold our events in middle of the UK's busiest shopping centres. Over 100,000 people visit each venue during each event. As our events are open from all sides, these people can all freely walk in to meet the exhibitors.

6

## Face to Face Recruitment

By meeting thousands of candidates in person you can quickly assess their suitability for a role. Attending the event quite literally adds a personality to an application. This can save a lot of time and energy compared to online applications.

8

## Standing Out Offline

With over a million online jobs in the UK, it is difficult for employers to stand out. In a competitive job market, it pays to be proactive and to go directly to the candidates.
