Beneficial day. Up to 200 people that we met could fill our vacancies.

A number of people that we've spoken to have said that they really appreciated being able to come and meet us. Some people haven't heard of us before and as they said, if we hadn't have been here, they would

have remained not knowing about us. So it has really worked.

### **ABOUT US**

We are the leading organiser of the UK's biggest and best recruitment events. Over the last 10 years we have become a trusted partner with employers of all sizes, course providers and training organisations.

Uniquely held in the middle of shopping centres, our events benefit from the 15,000+ active job seekers (people that pre-register having seen our marketing campaign), and over 100,000+ passive job seekers (the natural footfall of each venue).

Employers enjoy working with us as we are a cost-effective alternative to agency fees. Our events also enable employers to stand out offline away from an overcrowded online job market. The many benefits of attending our events are detailed on the next page.

### **BENEFITS OF ATTENDING JOB SHOW EVENTS**

#### **Cost Effective**

Employers typically hire 5 - 60 people per event. With regards to cost per hire, compared to agency fees, exhibitors continue to save money from attending our events. There is no limit to the amount of candidates you can hire, and no ongoing fees.

#### **Pre Event Applications**

3

Our websites and marketing campaigns generate huge exposure for each exhibitor. Many job seekers will see an employer is attending our event and will apply to them directly in the weeks and months before the event. This is in addition to the hires employers make during and after the event.

#### **Passive Job seekers**

How do you target people that are not actively looking for a new job? How do you reach people that are not signed up with job boards or recruiters? This is the very reason we hold our events in middle of the UK's busiest shopping centres. Over 100,000 people visit each venue during each event. As our events are open from all sides, these people can all freely walk in to meet the exhibitors.

#### **Employer Branding**

They might have heard of you, but have they thought of you as an employer? Or do they realise you have a particular type of vacancy available? Showcase what makes your company great at the UK's biggest career events.

#### **Growing Your Talent Pool**

Employers typically add 200 - 1,000 people to their talent pool at each event. A new talent pool of people they can hire from throughout the year. Many exhibitors will hire people they meet during the event 3-6 months afterwards.

#### **Active Job seekers**

Over 10,000+ people pre-register to attend each event. Our extensive marketing campaign targets candidates that match the vacancies of our exhibitors.

#### **Face to Face Recruitment**

By meeting thousands of candidates in person you can quickly assess their suitability for a role. Attending the event quite literally adds a personality to an application. This can save a lot of time and energy compared to online applications.

#### **Standing Out Offline**

With over a million online jobs in the UK, it is difficult for employers to stand out. In a competitive job market, it pays to be proactive and to go directly to the candidates.

### **TARGETED VISITOR MARKETING CAMPAIGN**

#### A targeted and regional marketing campaign for each job show. Examples of how we promote our shows include:
