READ WHAT OUR EXHIBITORS  
HAVE TO SAY ABOUT THE SHOWS...

Very busy and good footfall. Best event we have been to. We have generated hundreds of leads, we will definitely make hires!

EXHIBITED AT 5 EVENTS

The show was a great opportunity to promote the roles we have available in our department. We enjoyed the 'buzz' and energy of the event and the relaxed atmosphere. It was great to be able to speak to people who were enthusiastic about joining our company. We look forward to attending again.

There is a good mixture of people coming for our apprenticeship schemes, all the way up to our senior executive appointments. So you have a broad range of candidates coming through - companies can see what future talent's out there.

EXHIBITED AT 10 EVENTS

Brilliant event. We have been inundated with people looking for a career with us. We are looking for Project Managers, Pipeline Engineers and Gang Installers and we have found candidates with these skill sets and experience.

EXHIBITED AT 5 EVENTS

We have had a lot of great engagement. It has been great to meet potential employees including engineers and quantity surveyors.

Anyone else considering to exhibit, we would highly recommend it. You will have some really good conversations and you will find some really fantastic candidates.

EXHIBITED AT 4 EVENTS

We have met some really good people with different kinds of skills. We have met software engineers with really good engineering backgrounds. We have met really great consultants - data consultants and business consultants, project managers, and also some people with really good test experience as well. So a nice mix.

We received 492 + applications at the show. The event was very well organised, and the turnout was great. The quality of the stand was excellent.

NHBC

It's a really good way of cutting out the agency cost. For us we get a really good response and we've managed to make a lot of hires over the years both for the head office and for the more technical construction based roles. So it's been really good for us!

CONWAY  
great people : great work

The overall organisation has been really good, all of our vacancies have been displayed, we've arrived with everything here and most importantly the types of people that it attracts, they're really good. We would recommend it to others.

British Gas

It's been a good response. Really good diverse people and backgrounds that we look for in our organisation, so really pleased.

LOCKHEED MARTIN

We came here last year in September, for the first time. It was a really good experience. We normally just try and recruit online. We saw this as a great opportunity to try and meet people face to face. And try and tap into a market we may not have not got to before, because we are trying to look for really niche positions. So really good to come back.

# BENEFITS OF ATTENDING JOB SHOW EVENTS

1

## Cost Effective

Employers typically hire 5 - 60 people per event. With regards to cost per hire, compared to agency fees, exhibitors continue to save money from attending our events. There is no limit to the amount of candidates you can hire, and no ongoing fees.

2

## Growing Your Talent Pool

Employers typically add 200 - 1,000 people to their talent pool at each event. A new talent pool of people they can hire from throughout the year. Many exhibitors will hire people they meet during the event 3-6 months afterwards.

3

## Pre Event Applications

Our websites and marketing campaigns generate huge exposure for each exhibitor. Many job seekers will see an employer is attending our event and will apply to them directly in the weeks and months before the event. This is in addition to the hires employers make during and after the event.

4

## Active Job seekers

Over 10,000+ people pre-register to attend each event. Our extensive marketing campaign targets candidates that match the vacancies of our exhibitors.

5

## Passive Job seekers

How do you target people that are not actively looking for a new job? How do you reach people that are not signed up with job boards or recruiters? This is the very reason we hold our events in middle of the UK's busiest shopping centres. Over 100,000 people visit each venue during each event. As our events are open from all sides, these people can all freely walk in to meet the exhibitors.

6

## Face to Face Recruitment

By meeting thousands of candidates in person you can quickly assess their suitability for a role. Attending the event quite literally adds a personality to an application. This can save a lot of time and energy compared to online applications.

7

## Employer Branding

They might have heard of you, but have they thought of you as an employer? Or do they realise you have a particular type of vacancy available? Showcase what makes your company great at the UK's biggest career events.

8

## Standing Out Offline

With over a million online jobs in the UK, it is difficult for employers to stand out. In a competitive job market, it pays to be proactive and to go directly to the candidates.
