BENEFITS OF ATTENDING JOB SHOW EVENTS

1

Cost Effective

Employers typically hire 5 - 60 people per event. With regards to cost per hire, compared to agency fees, exhibitors continue to save money from attending our events. There is no limit to the amount of candidates you can hire, and no ongoing fees.

2

Growing Your Talent Pool

Employers typically add 200 - 1,000 people to their talent pool at each event. A new talent pool of people they can hire from throughout the year. Many exhibitors will hire people they meet during the event 3-6 months afterwards.

3

Pre Event Applications

Our websites and marketing campaigns generate huge exposure for each exhibitor. Many job seekers will see an employer is attending our event and will apply to them directly in the weeks and months before the event. This is in addition to the hires employers make during and after the event.

4

Active Job seekers

Over 10,000+ people pre-register to attend each event. Our extensive marketing campaign targets candidates that match the vacancies of our exhibitors.

5

Passive Job seekers

How do you target people that are not actively looking for a new job? How do you reach people that are not signed up with job boards or recruiters? This is the very reason we hold our events in middle of the UK's busiest shopping centres. Over 100,000 people visit each venue during each event. As our events are open from all sides, these people can all freely walk in to meet the exhibitors.

6

Face to Face Recruitment

By meeting thousands of candidates in person you can quickly assess their suitability for a role. Attending the event quite literally adds a personality to an application. This can save a lot of time and energy compared to online applications.

7

Employer Branding

They might have heard of you, but have they thought of you as an employer? Or do they realise you have a particular type of vacancy available? Showcase what makes your company great at the UK's biggest career events.

8

Standing Out Offline

With over a million online jobs in the UK, it is difficult for employers to stand out. In a competitive job market, it pays to be proactive and to go directly to the candidates.

TARGETED VISITOR MARKETING CAMPAIGN

A targeted and regional marketing campaign for each job show.

Examples of how we promote our shows include:

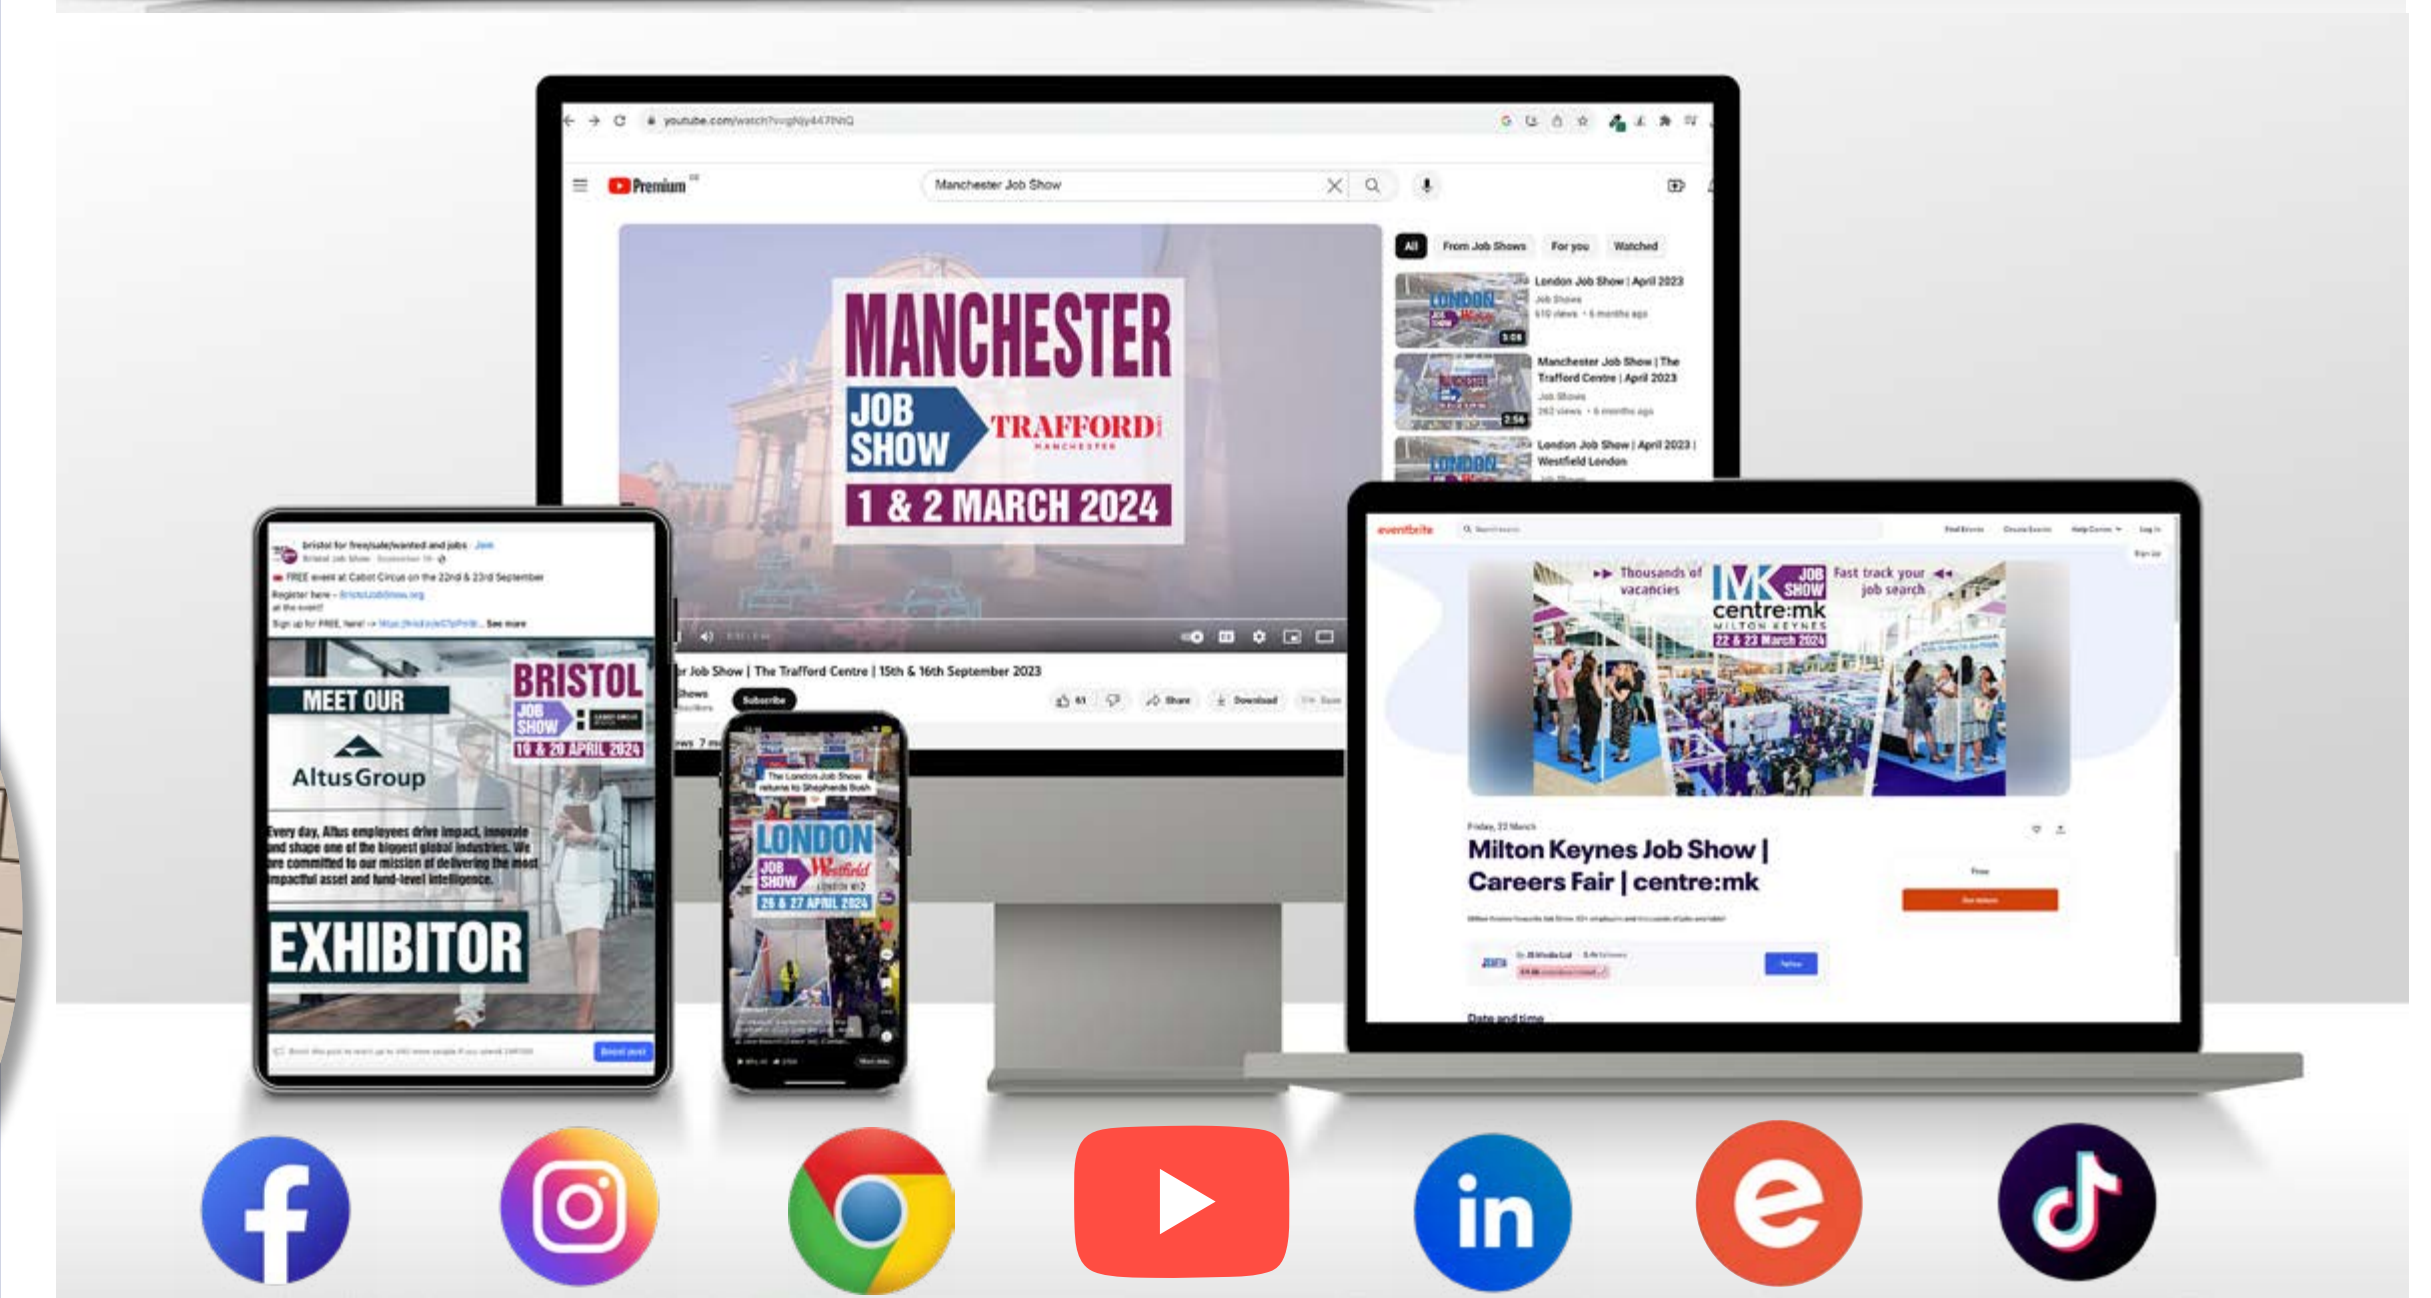

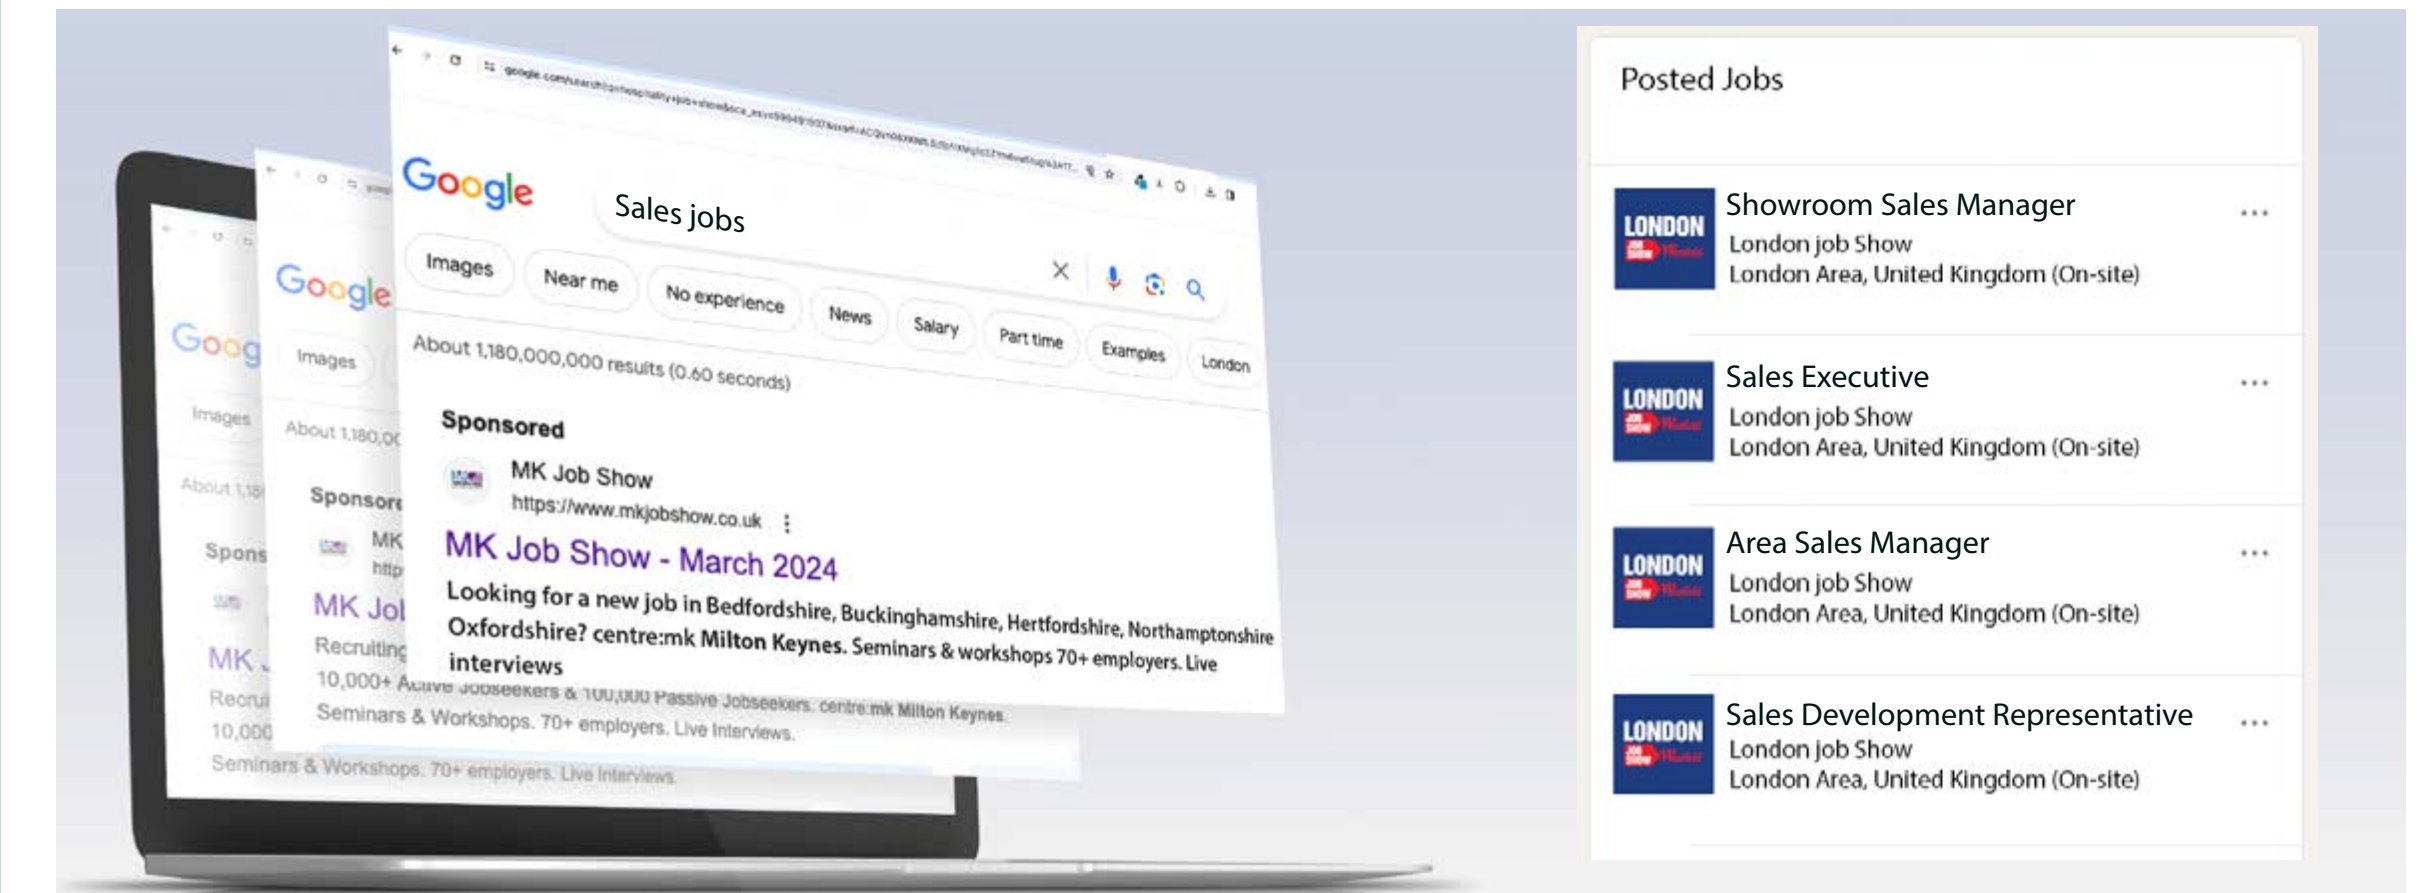

- Poster campaign
- Targeted TV campaign
- Regional Radio campaign
- National & regional PR campaign
- Paid targeted social media campaigns on Facebook, Google, Instagram, LinkedIn & TikTok
- Bespoke social media posting for each exhibitor
- We have 268,277 (as of May 2025) actively subscribed to our mailing list. All subscribers are invited by email to attend each event.
- Event Posters emailed to career advisors at 1,100+ universities and colleges across the UK
- Promoted Eventbrite campaign
- Exhibitor vacancies promoted on the Job Show website throughout the year
- Digital Posters on all screens throughout each shopping centre venue
- Inclusion in shopping centre email newsletters to their visitor databases
- Promotional team positioned around shopping centre entrances directing people to the event
- Glossy Job Show magazine for each event

WE TARGET PEOPLE SEARCHING FOR YOUR JOBS

Each exhibitor sends us a list of the specific vacancies they would like to promote.

Our visitor marketing campaign will then target people that are searching for these particular job roles.
