READ WHAT OUR EXHIBITORS  
HAVE TO SAY ABOUT THE SHOWS...

It has been fantastic. Lots and lots of people for teaching in early years, primary school, secondary school and further education.

We have now attended 3 times. A great event.

We made our stand a little bigger this time and it has been wonderful again. A great experience.

This is our 3rd time at the Job Show as we find the event very successful for us. There is nothing better than talking people face to face.

If you are looking to increase your candidate pool, definitely attend.

We have been really inundated. This event has introduced us to people with skill sets that we wouldn't normally come across via our normal recruitment route. We've got a few people already from day 1!

University of  
**Kent**

In some of the areas we are struggling to recruit for such as Computing and Physics, the people we have met are going to really help us. It's really set a high bar for recruitment events.

purple dragon  
*The world's best family club*

It's been fantastic, we have met so many wonderful people! Lots of creative people, with experience and enthusiasm, it has saved us a lot of time.

 **The Open University**

Busy! Lots of interest and questions about our careers. Great to see so many people face to face and directly talk to them. We met 150+ suitable people for our vacancies.

 **Cranfield University**

Being here representing Cranfield as a great place to work has been excellent!

**FLEXZO**

We met lots of cover supervisors and teaching assistants. A lot of footfall. It has been phenomenal!

 **THE BEDFORD COLLEGE GROUP**

We exhibited at the Job Show to inspire people to become teachers, some of the candidates we have met here today at the Job Show all have the right level of industry experience to make the transition to become great teachers.

 **Bright Horizons**

We have met so many amazing people. We would highly recommend it. It's a great opportunity to get your name out there, and meet loads of passionate people ready to work.

# BENEFITS OF ATTENDING JOB SHOW EVENTS

1

## Cost Effective

Employers typically hire 5 - 60 people per event. With regards to cost per hire, compared to agency fees, exhibitors continue to save money from attending our events. There is no limit to the amount of candidates you can hire, and no ongoing fees.

2

## Growing Your Talent Pool

Employers typically add 200 - 1,000 people to their talent pool at each event. A new talent pool of people they can hire from throughout the year. Many exhibitors will hire people they meet during the event 3-6 months afterwards.

3

## Pre Event Applications

Our websites and marketing campaigns generate huge exposure for each exhibitor. Many job seekers will see an employer is attending our event and will apply to them directly in the weeks and months before the event. This is in addition to the hires employers make during and after the event.

4

## Active Job seekers

Over 10,000+ people pre-register to attend each event. Our extensive marketing campaign targets candidates that match the vacancies of our exhibitors.

5

## Passive Job seekers

How do you target people that are not actively looking for a new job? How do you reach people that are not signed up with job boards or recruiters? This is the very reason we hold our events in middle of the UK's busiest shopping centres. Over 100,000 people visit each venue during each event. As our events are open from all sides, these people can all freely walk in to meet the exhibitors.

6

## Face to Face Recruitment

By meeting thousands of candidates in person you can quickly assess their suitability for a role. Attending the event quite literally adds a personality to an application. This can save a lot of time and energy compared to online applications.

7

## Employer Branding

They might have heard of you, but have they thought of you as an employer? Or do they realise you have a particular type of vacancy available? Showcase what makes your company great at the UK's biggest career events.

8

## Standing Out Offline

With over a million online jobs in the UK, it is difficult for employers to stand out. In a competitive job market, it pays to be proactive and to go directly to the candidates.
