READ WHAT OUR EXHIBITORS HAVE TO SAY ABOUT THE SHOWS...

The quality of the candidates that have come to the job show have been unbelievable. The quality is so good. It's fantastic.

EXHIBITED AT 8 EVENTS

BAE SYSTEMS

We've met some software engineers with really good engineering backgrounds, we met some really great consultants both in terms of data consultants and business consultants, some project managers, and also people with really good test experience as well, so a nice mix.

EXHIBITED AT 15 EVENTS

bsi

We have found lots of people that fit our roles. Sales, Test Engineers, Cybersecurity, and also some for some very niche roles. It's because of the results that we keep coming back.

EXHIBITED AT 7 EVENTS

EXHIBITED AT 4 EVENTS

We attend the Job Show every year to raise our profile as an employer in area.

Our recruitment has gone absolutely through the roof. We have got some really good people through the door from it. Other companies should definitely do it.

EXHIBITED AT 6 EVENTS

It's great to promote our brand and also hire local talent. We have seen a mixture of Finance, IT and HR candidates, its excellent to be face to face with these types of candidates to really see their personality. I would always recommend this event.

EXHIBITED AT 2 EVENTS

At the 4 events we have attended we are averaging 10 hires per event. All for IT Sales & Account Manager positions. The event is always very busy with plenty of potential candidates to interview on the spot.

EXHIBITED AT 6 EVENTS

EXHIBITED AT 4 EVENTS

So great. Super busy. 700 applications received.

EXHIBITED AT 4 EVENTS

A fantastic opportunity to showcase our roles. It's been great fun talking to so many people with various backgrounds and experiences. Including people for IT, Corporate, Business and Marketing!

EXHIBITED AT 3 EVENTS

We are here to create brand awareness. Most people will know who the Financial Times are, but they think we just recruit journalists. When in reality we are recruiting in product and technology, finance, marketing, procurement, advertising. So we are here to let people know that we have got a lot of open roles.

EXHIBITED AT 6 EVENTS

We have hired quite a lot from previous events. If you want to increase diversity and widen your talent pool this is the place to be.

Excellent. Always enjoy coming here.

EXHIBITED AT 15 EVENTS

We came here last year in September, for the first time. It was a really good experience. We normally just try and recruit online. We saw this as a great opportunity to try and meet people face to face. And try and tap into a market we may not have got to before, because we are trying to look for really niche positions. So really good to come back.

ABOUT US

We are the leading organiser of the UK's biggest and best recruitment events. Over the last 10 years we have become a trusted partner with employers of all sizes, course providers and training organisations.

Uniquely held in the middle of shopping centres, our events benefit from the 15,000+ active job seekers (people that pre-register having seen our marketing campaign), and over 100,000+ passive job seekers (the natural footfall of each venue).

Employers enjoy working with us as we are a cost-effective alternative to agency fees. Our events also enable employers to stand out offline away from an overcrowded online job market. The many benefits of attending our events are detailed on the next page.

BENEFITS OF ATTENDING JOB SHOW EVENTS

1

Cost Effective

Employers typically hire 5 - 60 people per event. With regards to cost per hire, compared to agency fees, exhibitors continue to save money from attending our events. There is no limit to the amount of candidates you can hire, and no ongoing fees.

5

Passive Job seekers

How do you target people that are not actively looking for a new job? How do you reach people that are not signed up with job boards or recruiters? This is the very reason we hold our events in middle of the UK's busiest shopping centres. Over 100,000 people visit each venue during each event. As our events are open from all sides, these people can all freely walk in to meet the exhibitors.

3

Pre Event Applications

Our websites and marketing campaigns generate huge exposure for each exhibitor. Many job seekers will see an employer is attending our event and will apply to them directly in the weeks and months before the event. This is in addition to the hires employers make during and after the event.

7

Employer Branding

They might have heard of you, but have they thought of you as an employer? Or do they realise you have a particular type of vacancy available? Showcase what makes your company great at the UK's biggest career events.

2

Growing Your Talent Pool

Employers typically add 200 - 1,000 people to their talent pool at each event. A new talent pool of people they can hire from throughout the year. Many exhibitors will hire people they meet during the event 3-6 months afterwards.

4

Active Job seekers

Over 10,000+ people pre-register to attend each event. Our extensive marketing campaign targets candidates that match the vacancies of our exhibitors.

6

Face to Face Recruitment

By meeting thousands of candidates in person you can quickly assess their suitability for a role. Attending the event quite literally adds a personality to an application. This can save a lot of time and energy compared to online applications.

8

Standing Out Offline

With over a million online jobs in the UK, it is difficult for employers to stand out. In a competitive job market, it pays to be proactive and to go directly to the candidates.

TARGETED VISITOR MARKETING CAMPAIGN

A targeted and regional marketing campaign for each job show.

Examples of how we promote our shows include:

WE TARGET PEOPLE SEARCHING FOR YOUR JOBS

Each exhibitor sends us a list of the specific vacancies they would like to promote.

Our visitor marketing campaign will then target people that are searching for these particular job roles.
